

**What is the
Harvest Club?**

The Harvest Club was created to help sustain the Bishop Molloy Passionist retreat house through ongoing monthly contributions.

These contributions can be made by check or credit card in any amounts.

Thanks to the generous contribution of the Thomas More retreat group, a giving tree will be placed in the Dining Room of the Retreat house.

Individuals or groups can to be memorialized on this giving tree. Please see information on how to be included, inside this brochure.

Single one time donation

In gratitude for your donation
Bishop Molloy Retreat House will
inscribe your name, or the
memorial message of your
choice, on a leaf of the
Harvest Giving Tree.

You decide what level of leaf
you want. For example:

\$25.00 per month for 12
months entitles you to a bronze
leaf.

\$50.00 per month for 10
months entitles you to a silver
leaf.

\$100.00 per month for 10
months entitles you to a gold
leaf.

You decide whether you prefer
a one time donation, or a one
year monthly donation.

For larger donations, the time
period for completion can be
extended.

All completed Harvest Club
donations will be memorialized
in a book which will be placed
in the second floor chapel.

Upon completion of any
planned Giving Tree donation,
the donor's name or memorial
message will be inscribed on
the appropriate leaf, and in the
memorial book.
